Veterinary Examination

To ensure that all dogs are medically cleared for travel and or adoption, to the best of our knowledge, *Monty's Mutts* receives approval from a licenced veterinarian upon last check-up.

If a dog has a known medical condition/disease(s), *Monty's Mutts* policy is to make the adopter entirely aware prior to adoption. With any animal, it is impossible to foresee future medical conditions that may develop; therefore, *Monty's Mutts* does not guarantee that health issues will not arise in the future.

Date of births for animals is an approximation and given upon veterinary examination.
